Dear Property Owner,

In accordance with Amendment 79 of the Arkansas Constitution, property owners are eligible for up to a \$375 credit on real estate taxes applied to their homestead property. Additional benefits may apply to those who are 100% disabled or age 65 or older. A homestead is a property of which you are the owner of record and is your principal place of residence.

Pulaski County is respectfully requesting assistance in order to apply any and all credits for which you may qualify. By answering the following questions and returning to us documentation of your birthdate (driver's license, birth certificate, etc.), we will be able to determine if you are eligible for credits and/or additional benefits.

If you are 100% disabled as determined by the Social Security Administration, please check box 3 and provide documentation.
